

Muswellbrook Hospital

Muswellbrook, NSW

Client: Hunter New England Local Health District

Budget: Approx \$35 million

Role: Principal Design Consultant

Type: Hospital Redevelopment Masterplan

Following EJE's successful planning of the new Muswellbrook Hospital Emergency Department, we worked with Hunter New England LHD to undertake concept masterplanning and 3D visualisation imagery for a staged redevelopment of the clinical services facilities for the site.

The work involved the concept planning of \$35m of new and refurbished clinical services space including new dialysis unit, 35 bed inpatient unit (including special care).
